Sir:

Pursuant to 37 C.F.R §1.47(a), the applicants respectfully petition the U.S. Patent and Trademark Office to accept the Oath/Declaration submitted herewith containing the signature of inventors Giancarlo SANTUS and Francesca BENEDINI. The signature of Piero DEL SOLDATO is missing as he refuses to join the application (Piero DEL SOLDATO is a non-signing inventor). Pursuant to 37 C.F.R. §1.47(a) and M.P.E.P. §409.03, the applicants include:

- 1) an affidavit by Italian attorney Maria Teresa Noro indicating that she sent the entire application (specification, claims, and drawings) along with a declaration to inventor Del Soldato, and his counsel Mr. Fabrizio Conte (the stamp and signature at the bottom of the duplicate copy of the letter indicate that Mr. Fabrizio Conte received both letters), twice requesting his signature on the declaration. On neither occasion did inventor Del Soldato return the signed declaration nor did he ever indicate that he was willing to participate in this application. Indeed, inventor Del Soldato's conduct clearly indicates that he does not intend to join this application;

Stamp: RECEIVED 01 SEP 2005 10:23 AM
Filing Date: 02 FEB 2005
App No: 10/523722
Inventor: DEL SOLDATO, PIERO
Attorney: NORO, MARIA TERESA
Fee: 130.00 OP

- 2) letters sent by Attorney Teresa Noro with English translations thereof;
- 3) copies of postal receipts; and
- 4) Affidavit of Accuracy of translation

The applicants also include the Notification of Missing Requirements mailed August 9, 2005, and a check for \$195.00. The check includes \$130.00, the petition fee under 37 C.F.R. §1.17(h) and \$65.00, the surcharge for the late oath/declaration.

The last known address of inventor Piero DEL SOLDATO is:

Via Enrico Toti 22
Monza, MI 20052
ITALY

The applicants respectfully submit that they have made a *bona fide* attempt to comply with the provisions of 37 C.F.R. §1.47(a). The applicants respectfully request the Office of Petitions grant this petition and forward the file to the Office of Initial Patent Examination (OIPE) for further processing.

If any questions or issues remain, the Office of Petitions is respectfully requested to contact the undersigned to help with their resolution. The Commissioner is authorized to charge any additional fees required or credit any over-payments to Deposit Account No. 01-2300, referencing Attorney Docket No. 026220-00062.

Respectfully submitted,

AFFIDAVIT

I, the undersigned Maria Teresa Noro, lawyer, practising in Milan, Via Freguglia 4, state the following.

I have been requested by Nicox to assist it in its controversy against Mr. Piero Del Soldato, a shareholder of the company Nicox S.A. and employee of Nicox S.r.l. who was dismissed by letter dated April 2, 2004.

On April 6, 2004, Mr. Piero Del Soldato challenged his dismissal and enforced his alleged right to be granted certain sums as compensation for his being assigned to less qualified duties, as well as the bonus under Articles 23 and following of Royal Decree no. 1127/39 (the Italian Patent Law) on account of the inventions of which he has been designated inventor or co-inventor during his employment relationship and which remains the sole property of N.S.A. For this reason, in the past few months I have been in touch on a frequent basis with Mr. Fabrizio Conte of the Milan Bar, the lawyer who is assisting Mr. Piero Del Soldato in the above mentioned controversy.

On April 1, 2005 Nicox S.A.'s Legal Department asked me to have the following documents signed by Mr. Piero Del Soldato and returned to it:

- 1) ns. rif. NP 0002 entitled "NITROOXYDERIVATIVES OF CYCLOOXYGENASE-2 INHIBITORS" - 5 documents: Canada/Assignment; New Zealand/Request under Section 23 (3); USA/Assignment and Declaration; South Africa/Assignment and a copy of the entire application (i.e. specification, including claims and drawings).
- 2) ns. rif. NP 0003 entitled "ORAL PHARMACEUTICAL FORMS OF LIQUID DRUGS HAVING IMPROVED BIOAVAILABILITY" - 5 documents: Canada/Assignment; New Zealand/Request under Section 23 (3); USA/Assignment and Declaration; South Africa/Assignment and a copy of the entire application (i.e. specification, including claims and drawings).

- 3) ns. rif. NP 0004 entitled "PROCESS FOR PREPARING NITROOXYALKYL SUBSTITUTED ESTERS OF CARBOXYLIC ACIDS, INTERMEDIATES USEFUL IN SAID PROCESS AND PREPARATION THEREOF" - 2 documents: USA/Assignment and Declaration and a copy of the entire application (i.e. specification, including claims and drawings).
- 4) ns. rif. NP 0011 entitled "PROCESS FOR PREPARING NITROOXYDERIVATIVES OF NAPROXEN" - 5 documents: Canada/Assignment; New Zealand/Request under Section 23 (3); USA/Assignment and Declaration; South Africa/Assignment and a copy of the entire application (i.e. specification, including claims and drawings).

On May 2, 2005 I sent a set of the above mentioned documents to Mr. Piero Del Soldato, at his domicile in Monza, Via Enrico Toti 22 under registered mail, with copy hand-delivered to his lawyer, asking Mr. Piero Del Soldato to return said documents to me duly signed or to notify in writing his explanations for not doing so.

On May 23, 2005 I sent another set of the above mentioned documents to Mr. Piero Del Soldato under registered mail, with copy to his lawyer, asking Mr. Piero Del Soldato to return said documents to me duly signed in ten days or to notify in writing his explanations for not doing so.

Mr. Piero Del Soldato never sent back to me these documents.

I enclose herewith copies of my letters dated May 2, 2005 together with the related registered mail receipt and acknowledgement of receipt; I also enclose the second one dated May 23, 2005 together with the related registered mail receipt and the printout obtained from the Poste Italiane (the Italian Post Office) website reporting the status of delivery.

A copy of my passport is also enclosed.

Respectfully submitted,

(Avv. Maria Teresa Noro)
